

Cross Island

Royal Naval Dockyard

PROPERTY SHEET

Approximate Acreage: 9

* Diagram is not drawn to scale and all measurements are approximate.

As Bermuda's newest and most important piece of land in recent years, Cross Island was originally used as the home of the 35th America's Cup, the largest and most established international Sailing event.

Venue Benefits

- Dockyard public parking or usage of Moresby Plain, Boaz Island Field or the transportation hub for nearby parking
- Fully equipped for all your electrical, sewage management and water needs
- Air conditioned male/female restrooms
- Bermuda's largest open air event venue rental space
- 360° water and landscape views
- Area can fit multiple large tents, stages or semi-permanent structures
- Close proximity to public transportation
- One on-land entrance allows for easy ticketing and security
- On-water access allows for direct water transportation, yacht/boat berthing and boat attendee participation
